Article II, Standard for Substantial Compliance Broward County Ordinance 94-2, requires that all religious schools must comply with Child Care Licensing and Enforcement Services Substantial Compliance rules. Please read and sign the following agreement acknowledgements.

DISCIPLINE: Church By The Sea Preschool protects the rights and privileges of children while fostering nurturance and warmth. Discipline is designed to correct an unacceptable behavior pattern and administered in such a way as to preserve the child's dignity. Corporal punishment (spanking) is never used. Procedures such as redirection, or on rare occasions being sent to the Office, are used with all children in our preschool. Church By The Sea Preschool strives to cooperate with parents concerning problems that are chronic. If all efforts fail, and a child still requires a disproportionate amount of the teacher's attention, and is a disruption to the class, the parent will be asked to withdraw the child.

SNACK: Parents and the school are urged to work cooperatively to assure that the children are provided with nutritious snacks. Lunches are not provided by Church By The Sea Preschool, however, the parent will provide a nutritious midmorning snack for their child's class on their designated snack day.

EMERGENCY RELEASE: In the event a medical emergency arises during the time that a child is under the supervision of the staff of Church By The Sea Preschool, every attempt will be made to contact the parent/guardian of the child or other authorized person immediately. In the event that a parent/guardian or other authorized person cannot be located, this form will serve as authorization for a member of the Church By The Sea Preschool staff to seek necessary medical attention for the child.

CHILD RELEASE: According to the Broward County Code of Ordinance 7-8.11, Release of Child:

- a) No child shall be released to any person(s) other than the person(s) authorized by the parent or guardian and listed on the enrollment card or its equivalent. Any person(s) authorized to take a child from the school, other than the child's parent or guardian, must present positive picture I.D. to the employees of the facility before a child is released.
- b) The child's parent or guardian must send in written authorization if the child is to be picked up by another individual other than the predetermined individuals identified on the registration form. The authorized individual must present positive picture I.D. to the employees of the facility before the child is released.
- c) If an emergency situation should arise, while your child is in school, and your child must be picked up by an individual not listed, please call the front office to let them know who will be picking your child up. The authorized individual must present positive picture I.D. to the employees of the facility before the child is released. DO NOT leave a message on the answering machine to authorize another individual to pick up your child.
- d) The school shall immediately notify Department of Children & Family Services and the local police department or the Broward County Sheriff's Office in the event a child is not picked up by an authorized person listed on the enrollment card or its equivalent within four hours after the scheduled closure time of the facility.
